United Fund Supports Hearing Test Program

Beginning Feb. 7th and continuing through Feb. 15th the mobile testing unit of the Michigan Association for Better Hearing will be in Kalamazoo, Grayling and Roscommon counties to provide hearing tests for all residents over 18 years of age.

This program is provided through the joint cooperation of the Health Department and the Michigan Association for Better Hearing. The program has the support of the local medical societies. It represents another service which is receiving as a result of their contributions to their local United Fund campaigns.

The major purpose of this testing program is to locate individuals with hearing loss so that appropriate recommendations can be made. Early hearing loss frequently goes unnoticed or is ignored, but prompt attention can often prevent serious deafness. For this reason all residents are urged to take the short two-minute test.

The following schedule has been announced: For Crawford County: Frederic, Feb. 9th; Grayling, Feb. 10 and 11.

In Frederic the unit will be parked just south of the Post Office, and in Grayling at the Court House. Hours for the testing are from 10 a. m. to 6 p. m.

VIRGIL SHAFER DIES VERY SUDDENLY

Virgil Shaffer, 61, died suddenly at Mercy Hospital on January 26, following a heart attack at his home. He and Mrs. Shaffer had made all arrangements to go south to visit their son and family in Florida where the wife was.

Owner of the Pine Crest Motel near Frederic, Mr. Shaffer was born July 22, 1899, at Hancock, Ohio, to Mary Walford and J. W. Shaffer.

Funeral services were held at 7:30 Friday evening at the Sheraton Funeral Home, with Elder Roy Newberry officiating. Mrs. Arthur Feldhauser provided organ music. The body was then taken to the Coburn Funeral Home in Findlay, Ohio, where services were held Monday afternoon at 1:30, with interment in the cemetery at Findlay.

Surviving are his wife, Beatrice, and son, Victor, of Sarasota, Florida.

Following wrecking and tearing out operations at Grayling's Shoppenagons Hotel, work has now started to rebuild the interior into the new plans for the hotel. In the top photo, the view is from the lobby through the old dining room into the former kitchen. This entire area will be made into the new dining room with a new kitchen to be constructed near US-27 side of the building. In the middle photo can be seen the former staircase to the second floor out of the lobby. The new staircase leading to the 23 newly constructed rooms on the second floor will lead out of the room between the lobby and Blue Room. In the bottom photo, wrecking work on the Shoppenagons Annex can be seen. For the present, the area will be closed off and a parking area made after the building is completely torn down.

Cancer Movies Slides Available To Organizations

Of interest to the many clubs and organizations in Grayling and Crawford County is the fact that Mrs. Eli Beery, educational director of the County American Cancer Society, is prepared to show slides and movies on the various phases of the cancer problem to these groups. Mrs. Beery may be reached at DI 8-5155. Two weeks notice will be appreciated.

Mrs. B. E. Henig, chapter chairman and Mrs. Vernon Blaha, director, attended a district meeting on public information held in Grayling on January 24th. It was suggested at the meeting that one service the society could provide would be to pay part of the travel expense incurred by those needing X-ray treatments following surgery. These trips cause a financial hardship. It was also pointed out that the official cancer society is identified by the "Sword of Hope" symbol. This has not been a problem locally but there has been some misunderstanding in the larger cities.

Other chairmen, officers and directors of the County Chapter are: Jack Alef, president; Mrs. Harry McEvers, sec'y; and Mrs. Earl Burns, service chairman; Mrs. Robert Strong, publicity; Mrs. Don Gotro, drive chairman; Dr. B. E. Henig, medical director; Mrs. Lorne Douglas, George Griffith and Mrs. Ace Leng and Mrs. C. Henry Battles of Frederic, directors.

Volunteers will be needed for the annual drive for funds which is tentatively scheduled for April.

STATE TO OFFER OIL LEASE RIGHTS

Oil and gas lease rights will be offered for sale on 213,000 acres in Michigan next month, during a public auction to be held in Lansing by the Conservation Department.

The sale will begin at 10 a. m. February 15th, in the Civic Center and is expected to last for three days because of the volume of acreage involved.

Except for Sanilac and St. Clair counties, all lands are located in the northern lower peninsula where drilling interest has been picking up in recent months. Lands in Alcona, Arenac, Iosco and Oscoda counties make up the bulk of next month's record offering.

Most of the lands up for leasing are in state forests. None fall in boundaries of state parks and recreation areas. The Conservation Commission denied requests for lease offerings on some 1,700 acres in the South Branch area of the Ausable river the so-called Mason Tract in Crawford County and 64-acre tract in Houghton state park, Alcona County.

State lists itemizing the acreage and location of lands to be offered may be obtained by writing to the Michigan Department of Conservation, Lands Division, Lansing 26.

CRAWFORD COUNTY HITS TOP IN SEAL BUYING

Crawford County is one of the first 17 counties in the state that has contributed more to the 1960 Christmas Seal Campaign. In this month's history of the TB fund drive.

State Christmas Seal officials report that Crawford County residents have given \$509 as of January 23 to top their previous high of \$474 in 1954.

"Actually, the TB association is honored by this generous reaction to the Christmas Seal appeal," said the organization's spokesman. "This money will help carry on the year-round TB and respiratory diseases programs, and we most humbly thank all those who contributed."

This is the 54th annual Christmas Seal Campaign in the State of Michigan and there funds are the only source of income available to the state-wide TB group.

COUNTY OVER QUOTA ON SAVINGS BONDS

Combined purchases of series E and H United States savings bonds by residents of Crawford County were \$95,717 in 1960, equivalent to 156.9 per cent of the treasury-assigned quota of \$61,000. It was announced today by Delmar V. Cote, state director for the Treasury's U. S. Savings Bonds Division.

The 1960 total compared with \$54,771 in 1959.

Cote reported the county savings bonds sales goal for 1961 has been set at \$63,000.

Combined E and H purchases of \$25,043,000 throughout the state during December brought the Michigan total for the year to \$262.67 million, according to Cote.

Library Friends Hold Meeting

A charter night meeting of the Friends of the Crawford County Library was held at the high school gym last Monday evening with a fair attendance. The proposed constitution and by-laws were accepted with a very few revisions.

The group was set up as a non-profit organization in order that gifts to it would be considered tax deductible.

Guest speaker for the evening was Mrs. Teresa Flaherty of Traverse City, director of the northwestern district comprising 16 libraries in five different counties. Also speaking briefly was Mrs. Boone, Mrs. Flaherty's assistant.

The speaker stated that planning for a county library should be done with an eye to the future. "Plan for 40-60 years ahead," she said. To prove her point, she used the Traverse City Library as an example. The library there was constructed in 1904 and in the last two years, two additions have been made and it is still too small.

Suggestions of further service by a county library was the making available of a film service and record library. The speakers suggestion also was for book meetings which would last so much longer than flowers. They also stated that there should be available student non-voting memberships in the Friends of the Library group. They showed pictures and plans of other libraries recently constructed.

Chairman Mrs. Robert Schulze appointed Mrs. Vernon Blaha to head the building and site committee. He also asked the publicity committee and Arthur Thayer to be chairman of the membership committee.

Committees will begin work at once in order that they may report to the next board meeting which will be held the first week in April.

Two Escapees Plead Guilty

A pair of escapees from Camp LaVictoire, who were being held on armed robbery charges, entered pleas of guilty before Circuit Judge Dennis J. O'Keefe in a special term of Circuit Court held on Monday. They will be sentenced later.

The pair appeared before Justice of the Peace Olin Williamson last Tuesday in a demanded examination. Justice Williamson bound them over to Circuit Court on the charge.

The escapees, Eugene O'Connell, 30, of Kalamazoo, and Billy G. Moore, 43, sentenced from Pontiac were captured just east of Lake City after a chase at speeds of 100 miles an hour last Wednesday morning.

Sgt. Carl Harrison, Commander of the Houghton Lake Post, said the pair crashed through a road block at US-27 and M-55 and for 25 miles along M-55 did everything possible to elude the troopers.

Harrison said the two threw wrenches from their stolen state car at the state police car carrying Troopers Raymond Weger and William Denemy in hot pursuit.

The troopers fired four shots at the escapees' machine, two bullets striking the car and forcing the two men to abandon the vehicle after without a struggle.

Vikings, Ramblers Battle For Lead

Cage Show Down Set For Friday Night at Boyne City

With Grayling stopping Pellston Friday night and Boyne City edging East Jordan, a show down for the cage lead of the Northern Class C Conference will be set up for Friday night at Boyne City when the Vikings and the Ramblers battle.

In their first meeting of the season here just before Christmas Grayling defeated the Ramblers 69 to 47. Boyne City has shown steady improvement since the

start of the season while the Vikings have shown they can run into cold streaks. Grayling will have to be ready to really play Friday night if they wish to continue to hold the conference lead as the Ramblers are always tough and doubly so on their own floor.

In conference action last Friday night, Boyne stopped East Jordan 69 to 60. Charlevoix topped Marquette 59 to 45 and Pellston took the final period 10 to 5, with the Vikings winning 60 to 41.

Grayling scored on 27 field goals and 6 out of 9 free throws while (Continued on Page 8)

Last Friday night here, the Vikings jumped out to a 17 to 13 first period lead and held a 39 to 23 halftime edge. In the third quarter Grayling outscored the Hornets 16 to 9 while Pellston took the final period 10 to 5, with the Vikings winning 60 to 41.

Grayling Boys Ski Team Wins Meet

Tuesday, January 24th, found the Grayling Ski team at Gaylord, racing against Gaylord and Atlanta.

The -10° temperatures that hung on all day didn't slow the racers up a bit. As the downhill race ended, the Grayling boys were leading the Gaylord team by six-tenths of a second, and the Atlanta team by two and two-tenths of a second.

After the finish of the slalom, it was found that the Viking boys team had won the meet. Helping to win for Grayling were Mike Lovely, who took first in the meet, Mike Goodrich, who took fifth, Mike Young taking seventh, Roger Cady taking eighth, and Russell were with a tenth. Gus's time was not counted on the team total.

Grayling was second, only one and four-tenths seconds behind, with Atlanta last, seven and four-tenths seconds behind Grayling.

In the girls races it was close at the start also. When the downhill was over, Grayling had the slim lead of two-tenths of a second over the Vikings girls team, and a lead of two and seven-tenths seconds over Atlanta. But the hopes of the Grayling team were crushed as two of the girls took falls. When totals were added up the Gaylord girls team was first with Grayling second by thirty-nine and six-tenths seconds, and Atlanta third, 106.1 seconds behind Grayling.

Placing for Grayling were Julie Buron, who took third in the meet, Nancy Cornell with fifth, Cathy Stripe with ninth, and Pat Wiseman with tenth place. Wiseman's time was not counted on the team totals. Lori Stephen raced as an extra for Grayling, her unofficial time putting her in tenth place.

The next race will be on February fourth at Cadillac, against Cadillac.

Detroit Bank President To Present, Michigan

John H. French, Jr., President, City National Bank of Detroit, will crown "Miss Michigan Winter Sports Queen" on her ice throne at the Grayling Winter Sports Park, Sunday, February 12th at 1 p. m.

City National Bank, one of the most rapidly growing banks in the United States, now has total resources exceeding \$176,000,000. It is the Detroit correspondent for the Grayling State Bank of which John H. Alef is President. City National Bank is the 8th largest bank in Michigan and the 178th largest bank in the United States, of more than 14,000 banks.

Mr. French, a native of Detroit, became President of City Bank in 1953. Before that he had served the banks as Vice President and Executive Vice President. In World War II he served as a Major in the Middle East with Army Airways Communications System, and later became the Executive Officer in charge of communications.

Mr. French is President of the Leader Dog School for the Blind; a Director of the new International Village in Detroit, and is on the Advisory Board of the United Foundation Fund. He is a Past President of the Bankers Club of Detroit, and Past President of the District Clearing House Association, and for years was a member of the Executive Council of the American Bankers Association. He belongs to various clubs and civic organizations.

A lifetime enthusiast of outdoor sports, Mr. French's primary interest is his 30-foot sailboat, "The Duet". He is also interested in duck hunting, deer hunting and fishing.

It is an interesting coincidence that John H. Alef, President of the local bank served under James M. French (General Vice President of City National Bank — and brother to the bank President) during World War II, when Mr. French, then a Major, commanded occupation forces in Italy.

Free Choice A Basic Right . . .

No committee of bureaucratic seers ever met to plan America's progress at so many percentage points of growth per year from a small English colony to her present position of pre-eminence among the world's nations.

Domination by overlords ended with the discovery that a nation could be founded on the ingenuity, self-reliance and strength of informed individuals free from political interference.

Our free economy unfettered by government control of production, prices, distribution and marketing has always been a thorn in the side of the planners and regulators. Production and price controls wherever applied, as with the parity price support program for some farm crops, have been little short of disastrous. Yet the urge to meddle runs strong and some critics have even gone so far as to suggest that the American people have too many things and that controls and taxation applied to curtail advertising would be a good way to "save" them from the "waste" of buying more things they don't need.

A better way to slam the lid on the productive power of competitive private enterprise could not be found. Jobs and payrolls and taxes to support government depend on a mass market to absorb the goods produced. Creating that market is the job of advertising. It must carry to tens of millions of potential customers continuous information about old and broadly accepted products as well as the story of new products and services.

Whether to buy or not should remain a matter of free choice on the part of the individual. He can be counted on to know better than anyone else what he wants or needs.

Self-Help Gets Results . . .

The Malolla River in Oregon is like many peaceful small streams that under storm conditions go on a rampage. At a horseshoe turn in its course it has been eating away valuable farm land on its periodic sprees, so the farmers affected organized the Molalla River District Improvement Co., Inc. Following current practices, aid was sought from the Great White Father. This led to the U. S. Corps of Army Engineers. Then the fun started.

Dissatisfied with the Engineers' estimate of \$188,000 for a flood control improvement in addition to erosion elimination, to be carried out at some uncertain future date, the farmers decided to start on a "do it yourself" project. They borrowed a tractor last fall and in some two weeks cut a new 500-foot-long channel for the river to by-pass the 1800-foot horseshoe. It has controlled the erosion. The cost was some \$1500, compared with an estimated \$188,000 for a more extensive government project.

Commenting on this self-help, the Feather River, California, Bulletin said, "It cost the federal taxpayers

MORNING AFTER THE PARTY

nothing. It makes one wonder how much of the federal tax bill really could be eliminated, at the same time increasing the efficiency of operations now financed by the taxpayers, if a little common sense were applied to the problem."

Cooley High Group Given Award Bow
Students from Cooley High School in Detroit numbering one hundred and thirty four, and their sixteen sponsors invaded Grayling last Friday at midnight, to spend the weekend enjoying winter sports. They started Saturday with a breakfast by the ladies of the Moose Lodge. Lunch they had at the Winter Sports Park, and dinner was served by the ladies of the Michigan Memorial church, after a day of skiing, skating and tobogganing.

On Saturday evening the group still going strong, held a record hop at the Bowhunters Clubhouse with potato chips and pop as refreshments.
Sunday morning the Eastern Star ladies served breakfast, and again the group made the Winter Sports Park their headquarters for fun.
At 2 o'clock on Sunday afternoon a Bear Archery Company mail boy was presented to the Cooley High School juniors in recognition of their many years of appreciative patronage of Grayling's facilities, and in response to a certificate of appreciation presented to the Grayling Winter Sports Park last year which hangs in the warming house at the park. Bear Archery president Fred Bear, Director, Eric Post of the Grayling Winter Sports Park, and Chamber of Commerce Secretary Manager Bob Hayes made the presentation to the Cooley group.

The students praised not only the enlarged ski area at the park, but also the excellent condition of the skating rink this year. They were fortunate that Old Man Winter accorded them some snow along with the cold to provide nearly perfect conditions over the weekend.

Mothers' March
(Continued from Page 1)

In the March of Dimes Bowling Night which is set for next Monday evening, February 6th at the Legion Alleys, Larry Balch is chairman of this event. Women's teams will bowl against the men. All proceeds above the cost of the operation of the pin setting machines will be donated to the March of Dimes. Bowling will take place at the usual starting hours of 7 and 9 p. m. All team captains who have not as yet registered with Mr. Balch to bowl, are urged to do so at once. Another feature of the event will be a 5c fine for every open frame by every bowler, which will also go to the Dimes fund. The event should provide a great deal of fun for the bowlers and spectators as well and will give the Crawford County March of Dimes a real "shot in the arm." County Drive chairman Leslie Hunter stated.

Frank Gross (No. 14) Viking forward holds the ball in the foreground as guard Joe Robertson (No. 34) comes driving through against Pellston last Friday night. Also on the scene for Grayling is Sherm Neal (No. 42) at extreme right. Shown for Pellston are Grant (No. 23) guarding Robertson and Cameron (No. 31) moving in on Gross.

Basketball

(Continued from Page 1)

the Hornets hit on 15 from the floor and 11 out of 19 charity tosses. Grayling was called for 11 fouls, Pellston 5.

Frank Gross with 23 points on a 10 and 2 count led the Vikings attack. Sherm Neal, moving to center, replacing Tim Neal who was ill turned in a fine game and collected 15 points. Tom Wright, Jim Stenson and Ted Carlson each added 6 points and Joe Robertson 4. Merle Cameron with 11 was the only Hornet to hit double figures for Pellston.

The little Vikings kept pace with their big brothers as they stopped the little Hornets, 38 to 22. The Grayling reserves outscored the Pellston jayvees in every quarter, holding an 18 to 12 halftime bulge.
